The 1953 Edition
of
THE GREATEST SHOW
ON EARTH

The BEARCAT

Published by

Henrietta High School

FOREWORD

Student life in a high school is similar to the many shows of a circus - - with its ring master, its clown, its exhibits, its box office, and its many acts. Because of this likeness the Bearcat Staff has chosen as its motif - - The Circus. May you truly appreciate the show that is given here to you under the Big Top of HHS.

May we, the 1953 Staff, especially thank you for making this edition possible. Were it not for the cooperation of students and teachers alike during those trying days of photography and the selling of pictures, boosters, and annuals, we could not have given you our show. Our new staff member, the Clown, is going to help you find all the thrills and excitement of a circus, and here's hoping that you will have a good time and enjoy the show.

DEDICATION

One of the nicest privileges that the Annual Staff has is that of dedicating the annual. This year we are happy indeed when we say:

We, the 1953 Staff, humbly dedicate this annual to our PARENTS -- those people who have given their best, who have sacrificed the greatest, and whom we love the most. We have gained great inspiration from them, because their efforts have produced the wonderful spirit of Henrietta High School.

BOARD OF EDUCATION

Left to right: Dr. W. O. Martin; Dr. Robert Hurn; Mrs. Ben Whitaker, Vice-President; Mr. Beckham Guthrie, President; Mr. Carl Zachry; Mr. Wayne Lefevre, Secretary; and Mr. Dick Moyer, Assistant Secretary.

We, the Annual Staff, on behalf of the faculty and the students of HHS, wish to express our appreciation to the board for their sincere and unselfish help in making this one of the most successful years we've had.

SUPERINTENDENT'S MESSAGE

My heartiest congratulations to you the members of the Bearcat Staff and to your sponsor, Mrs. Roper, for the excellent work you have done in recording the activities of our school.

PRINCIPAL'S MESSAGE

We have come to the end of another school year . . . a year that will hold fond memories for all. As the years go by, these memories will fade, but may the pages of this book recall to your minds these days spent in Henrietta High School.

These pages should not only recall to your minds fond memories, but should serve as a challenge to you to do your best in any undertaking that you may encounter along life's road. May the high ideals of character and citizenship that have been taught you cause you to strive to do your best.

We began to notice that other schools had a WHO'S WHO SECTION in their annuals, so we decided we'd like that, too. This honor will come as a surprise to those students found here. They were selected as outstanding in the different phases of school life.

Well, pals - you just came to the end. Never had so much fun taking anyone through a book as I did you. Of course, this annual wasn't made to win any prizes - it was made just for you to look through it often and show your friends. I would love to meet 'em. Thanks for comin' this far with me - and, oh yes, before you close these covers, good luck to you and enjoy yourself. If you need any help - just call on me and we'll have some more big times together. Se ya' around---
